Plant Pathology: Nicole Ward Gauthier and Rebecca Melanson

Research Center: Jeff Chandler and Barry Sims

Rural Sociology: John Green and Robert Zabawa

A quorum was established.

Mark Legendre gave a positive report on the current conference and venue. Various positive comments were made on the venue.

Short discussion on not having a SAAS General Session with no real objection. Various positive comments were made on the social which was held before the game started.

Future sites discussed were Knoxville, Nashville, Savannah, and Charleston. Mark Legendre agreed to look at these future sights.

Animal Science and Plant Pathology reminded the Board they will not be meeting with SAAS starting next year. Both were trying to meet with their national associations to see how that worked.

The meeting was adjourned at approximately 8:30 am.
